- Class Code Cracker

Thank you to Lorraine Devaney our lead teacher of mathematics for organising a variety of activities for our students.

Kia Mataara

Our student leaders are continuing their work with Auckland Transport this week.

You may have seen them by the pedestrian crossings, sharing messages with our community and asking everyone to slow down on our Franklin roads, particularly around our schools.

You may have also noticed the use of a speed gun to measure the speed of cars as they pass by our school.

Our students are also very interested in reinstating a school road patrol, so please watch this space for further updates.

School Cross Country

Our school cross country was held last Friday, and we were fortunate to have beautiful weather throughout the races.

We want to extend a big thank you to the families who attended and cheered on our students.

Special thanks to Jody McCort, our lead teacher of Sport, and our Sports Coordinator Ann-Maree, as well as all staff positioned around the course, at the finish lines, and supervising learning communities.

It was a very successful school event with great results.

PUKEKOHE INTERMEDIATE SCHOOL

Term 3 Week 4, 2024

What's on next week?

Term 3 Week 5

(Monday 19th - Friday 23rd August)

Teaching and Learning

Itinerant Music

We have a group of very talented students in our itinerant music programme who are learning string instruments with tutor Kathy Ganter.

We love that our students receive this fantastic opportunity to learn a musical instrument. Violin, cello and ensemble orchestra group.

Janine Fryer, Deputy Principal of Teaching and Learning

Boys Netball

On Tuesday 13th August, the Year 8 Boys netball team went to Manurewa Netball courts and represented the school well, they showed good skills and learnt a lot about netball throughout the day.

They came second in their pool, ended up playing off for third and fourth place, but were unable to take the win off Manurewa, placing them fourth.

-Whaea Ann-Maree
Sports Coordinator

ENVIRO Challenge

Our Kaitiaki leaders spoke at the Year 7 Assembly this week to encourage students to take all lunch wrappers home with them each day.

They have challenged our students to have rubbish-free lunches, which is a great way for our school to reduce the amount of rubbish going to landfill and ensure that our school grounds look their best.

Congratulations to the Ngata learning community for your work in ensuring that our school looks fantastic!
