PUKEKOHE INTERMEDIATE SCHOOL

Term 3 Week 10, 2024

## Principal's Messages

*Tēnā koutou katoa, Kia orana, Talofa lava, Fakaalofa lahiatu, Malo elelei, Namaste, Aslam Alaykom, Bula vinaka, Ni hao, Ola and Welkom.*

As we reach the end of Term Three, we take a moment to reflect on the busy and successful term we've had. We can be immensely proud of the many achievements our fantastic students have celebrated this term. To mark the end of the term, we held our annual Celebration of the Arts on Thursday evening.

This event showcased the incredible arts programmes that run throughout the year, including kapa haka, Pasifika performances, hip hop, choir, itinerant music students, and Bandquest. Our students also displayed a stunning array of visual art created this year.

The evening was an opportunity for our students to share their learning in the arts with our wider community, strengthening our connections and celebrating the rich cultural diversity within our kura.

A huge thank you to all of our school whānau who could attend, our talented students who performed, and the teachers who guided and prepared them for this special event. A special thank you to Whaea Pip, our Visual Arts teacher and coordinator, for ensuring the evening's success.

### Year 7 Assembly

During our recent Year 7 Assembly, we took the time to acknowledge our students' outstanding achievements.

We celebrated those who represented our kura at the Franklin Mathex Competition and recognised students for attaining Excellence in the Kiwi Assessments in English, Mathematics, and Science.

We also presented cross-country certificates to our talented runners who proudly represented the school at the Auckland Inter-Zone Competition. A special highlight of the assembly was when John and Brendan from Innovation Franklin presented Amy Beaurain with a trophy for the top Year 7 project at our school Science Fair. Congratulations, Amy, on this fantastic achievement.

Congratulations to the following students who gained Excellence in the Kiwi Assesments:

Gemma Duley, Axel Gudmundsson-Davies, Aidan Kerr, Sam Kitchin, Sam McDonald, Logan Paul, Cassy Richardson, Felicity Jarvie, Ryan O'Hagan.

### Pukekohe High School Enrolment

Courtney Kelly, the Enrolment Officer from Pukekohe High School, will be available at our kura on Wednesday afternoons from 2:00 to 3:30 p.m. during weeks 1 to 4 next term.

Courtney will assist whānau with the enrolment process, including selecting options for 2025. Please remember to bring all original identification documents required to complete the process.

To enter the kura, press the intercom button at the Queen Street pedestrian gate near the playground, and sign in at the management centre.

The enrolment process will take place in our school's Board Room.

PUKEKOHE INTERMEDIATE SCHOOL

Term 3 Week 10, 2024

What's on next term?

Term 4 Week 1

## Teaching and Learning

On Tuesday Room 39 was visited by a representative of Franklin Innovation, Peter Fa'a'fu.

Our presentations aimed to think of and create Franklin in 100 years.

Peter judged our presentations on Best Community Spirit, Most Innovative Design, Most eco-friendly, and Judges' Choice Award.

The recipients for the Best Community Spirit Award were Logan P, Joseph H, Sam M, Vann T and Sam K.

Most eco-friendly town award went to Tyler B, Most innovative design went to Gemma D and Felicity J and the Judges' choice award went to Izzy H, Paige V and Cassy R. Each recipient received a prize.

All students in Room 39 worked exceptionally well. From Minecraft, models and sketched designs, Room 39 expressed their inner inventor and showed what they thought Franklin would be like in 100 years.

-Whaea Janine  
Deputy Principal of teaching and Learning

## HEART LC Winners

Congratulations to the following students who received a HEART Values award for their learning community this week.

### Week 9

Batten - Charlee Welson  
Lomu - Armahni Repia  
Ngata - Anthonena Amato  
Rutherford - Miela Dullabh  
Sheppard - Parima Niemeyer  
Te Puela - Oscar Hewitt

## End of the term

We have reached the end of Term Three. The school will close at 3 pm as usual. Our staff wish our students and school whānau a restful holiday break.

We look forward to Term Four and everyone joining us back on Monday 14th October.

The learning community karakia will begin at 8:40 am and we look forward to seeing you all then.

THANK YOU

Ngā mihi nui to all of our school whānau who have generously given their time to support our students.

We truly appreciate your awhi and look forward to continuing this partnership with you in Term Four. Mā te mahi tahi, ka angitu te katoa. Through working together, everyone will succeed.

ABOUT US  
The STEAM Academy for kids powered by William & Stanley, empowers young minds to flourish and excel in STEAM. We do this by teaching Coding, Robotics, Design, Electronics, Engineering and Programming.

Our students learn a range of design thinking strategies using critical thinking, animation, gamification, the concept of artificial intelligence complemented through value-based learning, hands on testing, real world concepts and ethical applications.
